

Over 100 years ago,

Jesucita Mijares fled the revolution in Mexico in search of a new life for her family. After settling in Pasadena, she opened a small tortilla factory & established her restaurant, featuring her original recipes.

Her tamales & salsas are still made with our volcanic Molino!

Mijares Restaurant remains
Pasadena's oldest & finest Mexican
restaurant, serving authentic Mexican
cuisine & award winning Margaritas.

Our restaurant features festive indoor & patio dining with a historic banquet facility where Jesucita lived.

Today, Mijares remains under the care of her daughter, Alice & three generations of family. We celebrate this legacy as a tribute to Jesucita, who passed away in early 1988. In honor of our matriarch, we uphold her famous motto: "Mi casa es su casa!"

We welcome you to celebrate & create new memories at Mijares Restaurant!
